Part B for Jan-Mar

SUBJECT

Improvements of water Supply to Tiruchirapalli Town

d 1744 A 9-9-1948

To the Chief Engineer for Irrigation Tank Rotation & Communication

Sanction to Revised Estimate for Rs. for Construction

74 Improvement of water supply to Tumkur Town

Letter No 2473/S dated the 25th April 1946 from the Chief Engineer for Irrigation stating that it is necessary to construct a pressure cistern in connection with the above at an estimated cost of Rs 450 and requesting approval of Govt thereto, meeting the cost from item No 13, lumpsum provision of Rs 10,000 made in the main estimate amounting to Rs 1,62,660 sanctioned for "Improvement & water supply to Tumkur" in G.O. No L 10869-72 PWD 45-46-S1 dated 4-~~End requesting approval of Govt~~

The work of constructing a pressure cistern was not specifically provided in the main estimate and it is now stated by the Chief Engineer ~~to be~~ necessary to gauge the flow of water flowing in the mains the estimated cost of the work is only Rs 450/- and is proposed to be met out of the lumpsum provision of Rs 10000 made in the main for removing, cleaning and relaying the old unlined pipes in the Town

To

The Secretary to Government,
Revenue Department, Bangalore

Sir,

Subject - Improvements of water supply
to Tumkur Town

Adverting to G O No L 10869-72/M1 45-46-31 dated 4-2-1947 sanctioning an estimate amounting to Rs 1,62,660/- for the above mentioned work, I have the honour to state that it is necessary to ascertain the pressure along the pipe line at interval of nearly 500 feet from the branching off of the 7" C I pipe line from the 9" main up to the proposed zone tank site, a distance of nearly 7000 feet This is essential to gauge the quantity of water flowing in the mains It is therefore proposed to construct a pressure cistern The Sanitary Engineer has approved an estimate amounting to Rs 450/- meeting the cost under Item No 13 Lumpsum provision of Rs 10,000/- for removing, cleaning and relaying the old incruste pipes in the sanctioned estimate for improvements to Tumkur water supply

I request you therefore kindly to communicate early approval of Government to the action taken by the Sanitary Engineer

I have the honour to be,
Sir,
Your most obedient servant,

Chief Engineer for Irrigation
